Welcome to Glory Bound Gyro Co.
A unique restaurant that focuses on great food and service in a funky, fun filled atmosphere.
How Glory Bound Gyro Co. came to be?
IT'S ALL GREEK TO ME!

Glory Bound Gyro Co. or "Glory Bound" as many call her was dreamt up by 2 restaurant buddies, myself Will Taylor and my business partner Chris McDonald, while traveling the Islands of Greece. While Island hopping in the Mediterranean Sea we quickly fell in love with the laid back atmosphere and the Greek cuisine we were experiencing. One day enjoying a three hour lunch at a local eatery in Porros, Greece, followed by a few Fix, the local Greek beer, and some Ouzo, we began kicking around ideas of a new restaurant concept to bring back to the states.

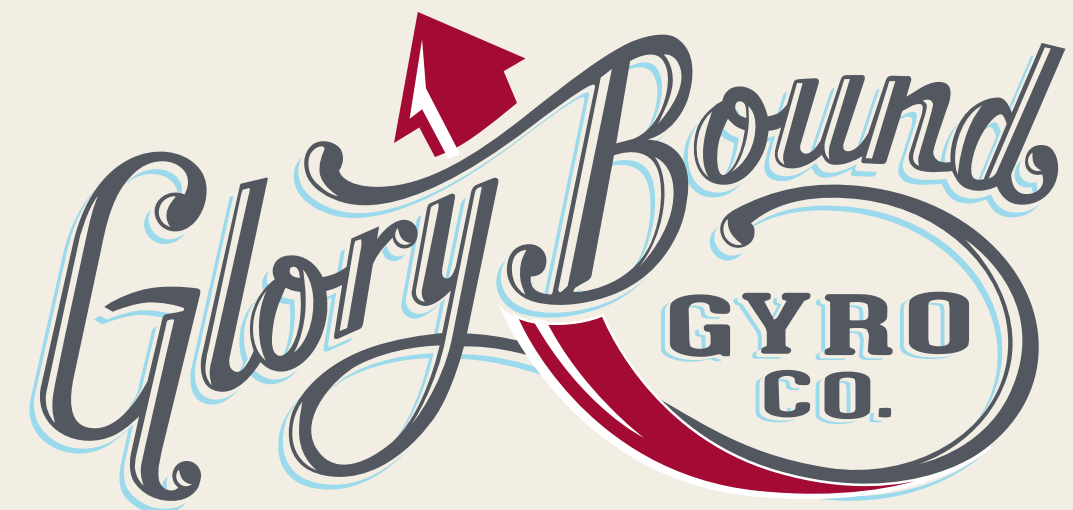

We knew we wanted a unique laid back restaurant with pictures and replicated signs from the islands we traveled blended with funky wall art to represent our personalities. As far as the food goes, we decided to stick to what we knew best and add a Southern twist on the Greek cuisine we had grown to love during our travels. Well, the idea of Glory Bound Gyro Co. was born.

On December 4th 2009, we began serving our "Southern Gyros" to friends and family. To our surprise Glory Bound quickly became a hit around town. Apparently adding a southern twist to Greek standards is not so crazy after all. In our first year, we sold over 69,000 Gyros! So if you are looking for a fantastic meal in a unique environment. Well my friend, you've found the right place. So sit back, relax and enjoy your experience at Glory Bound Gyro Co. It's A lovely Day for A GYRO!
